S A K E

AKASHI - TAI HONJOZO⁽¹²⁾ 72 cl

Nihon Baré rice, considered one of the best, with a small percentage of alcohol added during infusion. Daiginjo sake is a delicate product that can be enjoyed either heated to 37°C or at room temperature.

45 € - 30 cl 18 €

AKISHIRA OKARAKUCHI⁽¹²⁾ 70 cl

A sake that immediately captivates with its intriguing, clean, and unique bouquet, then surprises on the palate. Crystal-clear in color, it presents great intensity on the nose, highlighting spicy notes of melon and lychee. On tasting, it is dry, with a good mineral quality and well-balanced acidity.

100 € - 30 cl 45 €

HEIWA YUZU⁽¹²⁾ 72 cl

A fresh and intriguing sake, extremely aromatic with low alcohol content, made from Yuzu, a typical Asian citrus known for its sharp acidity and slightly pungent notes reminiscent of bergamot. Aromatic and lively, this sake can be enjoyed straight, as long as it is served chilled.

95 € - 30 cl 40 €

SHIZENMAI⁽¹²⁾ 72 cl

Organic and sparkling sake! Made only from organic fermented rice, with no filtration or pasteurization, and re-fermented in the bottle. It has a fruity fragrance reminiscent of must or fresh fruit maceration, expressing a soft and creamy body while still being dry and refreshing with citrus notes.

80 € - 30 cl 35 €

OMIJI KIJOSHU⁽¹²⁾ 72 cl

A blend of various sakes, some aged for up to 41 years in terracotta jars (Koshu); a product designed for true enthusiasts that requires a mature palate to fully appreciate its deep and intense nuances. Velvet-like tones of noble woods, lacquer and spices reveal a profound and evolved profile that reaches down to earth and aromatic herbs.
